November 2017 Water Cooler: EML Congruence Checker dateTime checks

Mon, 11/13/2017 - 12:34pm — mgastilbuhl

Our monthly Virtual Water Cooler (VWC) session is Monday, November 13th at 12 pm PST/3 pm EST.

In addition to a few updates from IMEXEC, this month's topic will be presented and moderated by the EML Congruency Checker (ECC) working group and specifically dateTime formats. We had a lightning talk on this topic at our annual meeting in July (see the newly posted annual IMC meeting report to see the slides; <http://im.lternet.edu/news/meetings/2017> [1]).

A pdf of the slides for today's ECC discussion is ">attached [2]. 'DateTime Checking in PASTA' by Margaret O'Brien

(Margaret will be traveling but she prepared this for us ahead of time.)
