Just a friendly reminder about our monthly Virtual Water Cooler (VWC) session this TUESDAY, October 9th at 12 pm PDT / 3 pm EDT. Our October VWC will be a debrief and follow-up from our annual meeting. We are interested in hearing a brief summary from those that led workshops. Please share with the group about the workshop and any next steps. We would also be happy to hear from others about any workshop that you attended that you think has relevance to any work that we are doing as a community.

See you around the water cooler!
