June 2019 VWC - ArcGIS Open Data Hub

Thu, 06/06/2019 - 1:14pm — [jdowning](#) ^[1]

This month: Jonathan Burnett, working with spatial data for the Andrews Experimental Forest, is using ESRI's ArcGIS Open Data Hub to host some of the main boundary and infrastructure GIS layers for the Andrews, providing easy access and use of these layers within the ArcGIS system. In addition to a demo of the tool, Jonathan will discuss why he choose this system, the requirements, and the process of setting up something like this for others that are interested.

Connection Info:

Monday June 10th at 12 pm PDT / 3 pm EDT
