VTC

review comittee will form fall 2019. Review happen Spring 2020.
Use SC in May to compose broad stnt + spec exaples
&data.
Issues 30 yr review data ypmt was big issue.
IM strength of netwk.

EnL 2002
pasta started with in 2008-2018
start date

Improvement of our data in pasta.
Quality Checks. Accessibility.

MOB/ primary message.
now in last 10 yrs converging on practices.
see same data in 'same ways.

JP/ more data, more sharing, easier sharing.
code generation. machine readable (web service)
Ea decade revolution in data accessibility.

Hug/ demonstrate capability increased.
Synthesis groups.

Camma/ citing is next 10 yrs or now?

JP/ handling data citing the systems are infancy

Marly/ Synthesis groups draw on older data so not
always thru pasta.

Hep/ Emily Stanly asked for x-site pubs.
BiblioSite Cite! tracks citation.
Only tracked if the DOI is used.

Hep/ Journals req data pub. DOI.

JP/ ORCiDs. Excitement. Cool Stuff.

imma/ synth grps ⇒ datasets from/in pasta
70% of data are publ. in pasta.

JP/Synth WG adopted solid IM approaches (scrips not sprshts).

Consistent. Integrate-able data.

Our data is well suited for data science approaches.

Jason/ data availability. Cg in culture of informatics.

Sarah NWT/ FAIR principles. Conforming.

Suzane/ Writing.

KRISTIN/ vol. write DEIMS.

Margaret willing to write.

Emery

Sven

Chris T   NGA wants to be involved

Hap /scientists hilite broader mission outside of LTER.

Corima /ESIP

LTER created EDI

Mauty pieces that made shift from 40 yrs ago.

Mob/recent 10 yrs built on prev. 30 yrs. schemos tags. Leading the field.

Ay/ "data nuggets" for schools.

do data nuggets use the portal?

marty/ now, Edu people hand-write, from their sit.

JP/ http://datanugget.org/

Marty/ site briefs incl. ambitions for future.

Corina/ data to be comparable

explain why harder in ecology

JP/ Semantic Annotation for future. Next. Build on
thousands of datasets w/ metadata.

Code generation.

Data 1, ESIP testimonial that they use LTER data.

Jason/ Pasta Development

Mark Servilla/ IMs contributed to pasta devel. Tiger Teams.
Reqts, Use Cases. Get feedback from IMs. Direct'n.

Duane/ congruence checker. Prime example of collab. effort.

MS/ pasta is an open source project. "Docker"
New feature rq; Bug reports helpful.

Corina/ EDI gets inquiry how to do IM. In 1st year,
200 inquiries!

Tim/

Tim/ the infrastructure helped new site to (P.5)
get going.
JP/ uses web services from posta.
